

Data Protection Declaration of the Care and Trial Site Registry (<https://ctsr.uniklinik-freiburg.de/>)

Protecting your personal data is very important to us.

We place great importance on respecting the personal rights of all visitors to our website. Please find below our data protection declaration, informing you of the nature and extent of the personal data collected via this website, as well as the purposes for which this data is processed and used.

WebsERVER - Protocols

When you visit our website, as is usual on almost all websites, our server automatically collects information such as your IP address (including the domain name associated with the IP address, i.e. using reverse look-up), the date and time of your visit to our website, the pages you visited on our website and the browser you are using etc. It also stores, where this is available, the country from which you are accessing our website, the website from which you are accessing our website, the search word used (if our site is accessed via a search engine), as well as the type of connection and operating system. We use this information to improve constantly your website experience.

Personal data you provide

By registering with the Care and Trial Site Registry you agree to the following terms:

- (1) The data you provide is stored in a database.
- (2) In an aggregated or summarised form the data can be published by CTSR considering existing data protection law (e.g. European Directive on Data Protection 95/46/EC). Only sites with completed questionnaires will be considered for presentations.
- (3) The CTSR will facilitate contact between your site and the enquiring party. You will be informed if your data has been passed on to an enquiring party.
- (4) You can request the deletion of your data at any time. After the deletion your information will not occur in new presentations of CTSR but may still be visible in older presentations. All information will be irreversibly deleted from the Care and Trial Site Registry. In this case, you will also receive no further information about clinical trials, best practices and patient care from the CTSR. To request the deletion of your information please contact the CTSR by E-mail (ctsr-info@uniklinik-freiburg.de).

Right of access to personal data and withdrawing consent

You have the right to receive a copy of your stored personal data at any time. In addition, you are entitled to withdraw your consent with future effect at any time. Please use the address provided under Contacts to do so.

Cookies

This website uses cookies to track users' preferences and structure the website optimally. Cookies are small files which are stored temporarily on your hard disk (session-based cookies). These cookies exist only until the end of the Internet session. They are used for navigation and increase the user friendliness of a website. You can still use our website even if you do not want cookies to be created on your computer. However, please note that some functions may be restricted and/or some websites will not be available. Most browsers accept cookies automatically. However, you can prevent this by setting your browser to block all cookies. For details, please refer to the instructions provided by your browser manufacturer.

Google Analytics

Our website does not use Google Analytics.

Security

We have implemented technical and organisational security measures to guarantee the security of your personal information. Users' personal information is stored in our secure networks and access is restricted to those employees and partners who are entitled to access our systems.

Data processing in countries outside the European Economic Area

No personal data collected via this website is processed outside the European Economic Area.

Information/Contacts

Contact us at the following address if you

- wish to correct, delete or block your personal data
- wish to obtain information about the personal data we have stored about you
- wish to withdraw your consent, or
- have other questions relating to data protection
